

Data Disclaimer for the CO Homebuyer Water Provider Info Tool (<https://H2info-Co.com>)

The data on the CO Homebuyer Water Provider Info Tool are provided "as is", and Peak Spatial Enterprises, Chambers Econ & Analytics, and the Colorado Water Conservation Board (also known as the "Team") assume no responsibility for errors or omissions. The User assumes the entire risk associated with its use of these data. The Team shall not be held liable for any use or misuse of the data described and/or contained herein. The User bears all responsibility in determining whether these data are fit for the User's intended use.

The information contained in these data is dynamic and may change over time. The data are not better than the original sources from which they were derived, and both scale and accuracy may vary across the data set. These data may not have the accuracy, resolution, completeness, timeliness, or other characteristics appropriate for applications that potential users of the data may contemplate. These data are neither official records, nor legal documents and must not be used as such. Official records may be referenced at individual water provider offices, county assessor's offices, and the Colorado Department of Local Affairs. Please report any errors in the data to the Team.

Peak Spatial Enterprises, the compiler of the Team's data, should be cited as the data source in any products derived from these data. Any Users wishing to modify the data are obligated to describe the types of modifications they have performed. The User specifically agrees not to misrepresent the data, nor to imply that changes made were approved or endorsed by the Team. This information may be updated without notification. By using these data you hereby agree to these conditions.

The data are intended for consumer end-use only and as a condition of use, you agree not to resell, repackage or otherwise make the data available commercially to third parties other than for your own end use.

No warranty is made by the Team for use of the data for purposes not intended by the Team. No warranty is made by the Team as to the accuracy, reliability, relevancy, timeliness, utility, or completeness of these data, maps, geographic location for individual use or aggregate use with other data; nor shall the act of distribution to contractors, partners, or beyond, constitute any such warranty for individual or aggregate data use with other data. Although these data have been processed successfully on computers of Peak Spatial Enterprises, no warranty, expressed or implied, is made by the Team regarding the use of these data on any other system, or for general or scientific purposes, nor does the fact of distribution constitute or imply any such warranty. In no event shall the Team have any liability whatsoever for payment of any consequential, incidental, indirect, special, or tort damages of any kind, including, but not limited to, any loss of profits arising out of the use or reliance on the geographic data or arising out of the delivery, installation, operation, or support by the Team.
